### Reasons for comment:

Comments:	No infrastructure to accommodate new dwellings, already poss loss of GP surgery. Country lanes already a danger due to traffic using village and recent development of eurolite No local amenities Lower higham, have to use a car to get anywhere No transport links other than train station and that's not serviced enough. No parking as restrictions and due to station Rubbish collection already struggles due to parking Emergency Services limited access Gas and electricity infrastructure not reliable Higham is a village and not built to accommodate these houses
