Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to state my objection for this planning proposal. This is a rural field which should be used for rural agricultural activities and is not suitable for the proposed site. The effect on the landscape in removing trees and putting up fences is not in keeping with the immediate surroundings and current planning use of the land. The access for bringing in caravans is not suitable has been destructive and there is constant noise despite there being a current injunction.

Kind regards
