Reasons for comment:	
Comments:	We are so disappointed that this application has been pursued, planning a change of use from a family home to a care home, thus changing the feel of the road. This road is very much a residential road with limited parking. There is shared access to the rear of the properties which needs always to be accessible to all of us. A change of use to children's home will potentially lead to more noise and disquiet in a quiet road where young and elderly families live. Also change of use is not permitted according to our deeds. Please also consider the number of objections in the previous application. This if approved will set a precedent for further changes of use in this road.

Kind regards
