Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As a local resident I strongly object to this. This would be detrimental for a number of reasons. Most importantly, this development will be a stone's throw from both a school and one of the largest parks in gravesend. The health impact on children who would be tempted by such development would be monumental. Litter, traffic, noise and light pollution would also increase and therefore impact residents and the local environment and wildlife. There is already 2 McDonald's restaurants in Gravesend. This location is not needed and not fit for purpose. It would have a severely negative impact.

Kind regards
