Reasons for comment:	
Comments:	We need to safeguard the countryside protect natural habitats and ancient ecosystems these will all be destroyed if building takes place on the greenbelt land. We also need to preserve the character of the village. This will ruin Sole Street, Hook Green, and Meopham. The impact of the additional traffic will be devastating, we will also have additional traffic from the new river crossing. There is no more capacity for water and sewage or plans for new treatment works. We need this land for food security for our future.

Kind regards
