| Comments:            | <p>I am objecting as this would impact my home as I back onto the fields you have proposed building 725 homes plus a school and communal areas such as allotments. This is going to impact my home, my work as I work from home, road closures in particular Norwood Lane. This is will also impact services in the community you are not thinking about the pressures on GP Surgeries, Social Services, Police, Ambulance.</p> <p>The traffic impact with our roads already in disrepair will triple.</p> <p>The concerns around flooding</p> <p>Concerns for wildlife</p> <p>Are you putting in more services for our trains?</p> <p>Lack of amenities and infrastructure</p> <p>Security? Are you looking at the local residents and what support and compensation you are going to provide us?</p> |
