Reasons for comment:

Comments:	I strongly oppose the proposed construction of a McDonald's in our neighbourhood. My concerns include: - Litter, noise, and late-night disturbances. - As a mother and teacher, I do not want a fast-food outlet that promotes unhealthy eating habits located next to a park and on routes used by several schools. - Increased waste in our local park, which is already neglected and likely to become further degraded. - Greater traffic and congestion, including delivery bikes, which would increase safety risks for pedestrians - especially children walking to and from school and the park. Our neighbourhood deserves development that enhances the local area and promotes healthy lifestyles. I urge planners to reject this proposal and consider alternatives that benefit residents and children.
