Reasons for comment:	
Comments:	The land should be left as agricultural providing much needed crops and a natural division between the Hook Green area and Sole Street. The proposed development including multi storey housing is completely out of character with the surrounding areas. A Previous smaller scale with larger houses development was turned down for many reasons such as increased traffic, lack of local medical and school places. Gravesham has a housing plan which does not and should never include this piece of land but prioritises building on brown belt sites. Leave the green countryside as a place for us to enjoy for our health and mental wellbeing.

Kind regards
