Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object. We do not have the infrastructure. Southern water cannot keep up with the water demands. We have lost our doctors surgery. The school is too small to cope with more residents. We need the fields for our wildlife and fresh air for our children. More houses is not going to solve the issues of the low amenities that we have

Kind regards
