Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this as this is farming land in the centre of the village and will be a massive blight on the green belt and countryside. We do not need this development and it will be done only for the greed of developers and whoever else stands to profit from the building. There are many other sites in the borough that could be developed into housing that will not directly impact on local wildlife and village life. There is no surgery at the village now and it does not have the infrastructure to support such a large hike in population of a rural area.

Kind regards
