Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This will spoil the current open space & aspect of many local homes. It will cause added traffic & congestion on an already busy road where traffic consistently travels too fast. There is not enough infrastructure in the village at the moment for existing villagers & adding more people will cause issues with parking, schooling, medical appointments & the noise associated with building works etc. Please do not approve this scheme.

Kind regards
