Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I highly object to this development. The village is struggling presently with roads, traffic, the GP surgery closing and lack of school placements. The village will suffer massively due to more vehicles, the roads in places are bad and parking and pathways are limited already. I can't understand why this preposterous application is being considered apart from greed!

Kind regards
