Reasons for comment:	
Comments:	The woodlands used to be a lovely pub restaurant, where families would dine together. This new proposal will only attract people in a hurry to eat and then drive away again. The traffic on the Wrotham road is very busy at the best of times and this eatery will only add to the congestion. I am concerned that it is also located next to the woodlands park, which will no doubt become littered with food wrappers (even if it's not supposed to be a takeaway) You should also consider how close it is to the local school & the high obesity rate amongst young people.

Kind regards
