Reasons for comment:	
Comments:	<p>There are many reasons this development should not go ahead but the major reason is that there are no school places for the children as can be seen with Esquires own document showing that on the next 5 years there are over subscribed primary and secondary schools in this area.</p> <p>Also on a health front, the kids of Istead Rise primary will be now subject to more cars and therefore more pollution with this new development.</p> <p>Our children's health and schooling are more important than targets.</p>

Kind regards
