Priestfield Stadium
Redfern Avenue
GILLINGHAM
ME7 4DD**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **REFUSED TO PERMIT** development of land situate at:

**1 Willow Walk
Meopham
Gravesend
Kent
DA13 0QS**

and being **Application for variation of condition 2 attached to planning permission reference number 20240166 for Demolition of existing detached garage and rear projection, erection of first floor extension to bungalow with pitch roof dormers to front, single storey rear extension with roof lights and incorporating integral garage into residential use with alterations to fenestration; to allow an increase to the rear extension.**

Your application dated 2nd September 2024 is refused on the following grounds:-

1. The proposed alterations would result in a change to the description works approved under planning approval reference 20240166. As such, a Section 73 (Town and Country Planning Act 1990) application, is the inappropriate method to seek consent for this alternative scheme, as per Paragraph 14 of the National Planning Policy Guidance. The scheme therefore cannot be approved via this method of application.
2. The proposed development would result in extensions and alterations disproportionately over and above the existing dwellinghouse, in a manner uncharacteristic of the rural character of this residential settlement and in a prominent position which would have significant impact to the areas character and street scene. This would be contrary to the requirements of the Design for Gravesham - Design Guide (2024), Householder Extensions/Alterations Design Guide (2021), Policy CS19 of the Core Strategy 2014 and paragraph 135 of the NPPF (2023) in terms of design, character and appearance.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**
<https://www.gov.uk/appeal-householder-planning-decision>
<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
