Reasons for comment:	
Comments:	<p>The A227 could not cope with the extra traffic that this development would cause. Air quality in the area would suffer greatly.</p> <p>Meopham would become a town - the urban sprawl would lead to a merging with surrounding villages.</p> <p>The A227 and surrounding roads often flood and this development would magnify the problem.</p> <p>Nature and wildlife would be displaced.</p> <p>There is insufficient infrastructure and services to support this development.</p>

Kind regards
