Reasons for comment:	
Comments:	The Meopham surgery does not have enough capacity to cope with additional patients. The schools do not have enough capacity to deal with additional pupils. The road on which the the site is proposed leads onto the A227. The road is narrow and dangerous. It joins the A227 close to the Parade. The Parade is a very dangerous area when cars try to enter the slip road and cause blockages. There are no viable bus routes.

Kind regards
