Reasons for comment:	
Comments:	<p>I completely object against this proposal for the below reasons.</p> <ol style="list-style-type: none">1. The current overwhelming pressure on public services from trains, doctors, dentists, schools etc.2. Roads are gridlock in peak times as they are without anymore homes that will all have a minim of 2 cars per household.3. The affected on nature from the construction, pollution. All residents have paid a premium to move here for the nature and open spaces. New builds are not welcome!

Kind regards
