| Reasons for comment: | |
| Comments: | Extra pollution for the school children, the drainage & floods on the Wrotham road will increase, lack of extra facilities including doctors, nhs dentists, school places, (already over subscribed), leisure facilities, the impact to local wildlife which includes bats, owls and badgers, this applies to all potential development in Meopham. The loss of a village character with over-development. Grid lock on the A227 especially if the lower Thames crossing goes ahead. |

Kind regards
