Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is totally an inappropriate development in the countryside. There are no access roads, drainage or utilities in place. There is a risk (and this has happened) of a future expansion into a larger site. Environmentally, the noise, waste disposal and sanitation issues A big impact on wildlife and protected lands. Damage to hedgerows and rights of way have already occurred. It will have a strain on local services and access issues

Kind regards
