Reasons for comment:	
Comments:	<p>Building in Countryside destroys local communities, damages the ecosystems and habitats. Communities merge, losing their unique identity.</p> <p>This allocation is vague - what is 'infrastructure works'</p> <p>Green Lane is very narrow and often blocked with traffic avoiding the A2. Access to Camer Parade will be impeded.</p> <p>The proposed access will cause congestion issues on an already over used lane and it is very close to a huge Oak</p> <p>Houses along Tradescant Drive will be overlooked</p> <p>Light pollution will impact on the bats in the copse as well as the homes along Tradescant</p> <p>This should be considered cumulatively with all the proposed sites in the Borough, but especially around the Hook Green area of Meopham</p>

Kind regards
