Reasons for comment:	
Comments:	I strongly object to all proposed developments in Meopham. This is a semi rural village with an individual character. The A227 which runs through this village is already over capacity and has continuous roadworks and instructions. I live on this road and cannot open my front windows because of noise and air pollution. The local schools have no capacity. Residents cannot get a doctors appointment. We need agricultural land to grow our food so we do not have to import everything. Wildlife will be disastrously impacted. Use brown field sites, not greenbelt.

Kind regards
