Reasons for comment:	
Comments:	<ul style="list-style-type: none"><li>1) Insufficient infrastructure to support extra traffic. Safety risk with people still parking on the road despite recent changes to the layout by Meopham shops - there are lots of pedestrians and children due to school who are at a greater risk to traffic</li><li>2) Protection of the countryside / Greenbelt</li><li>3) Multiple open applications already in the area so the impact of all applications must be considered not just on an individual application basis</li></ul>

Kind regards
