Reasons for comment:	
Comments:	I object. I dlo not believe the sacrifice of green space next to the veterans hall is of benefit, in fact I believe it is harmful to the conservation area. There is no proposal to replace this green space so once it is gone, it is gone! Whilst new builds can achieve good period features often they fall short of the quality. I don't see how this proposal would be a positive addition to Clarence place.

Kind regards
