Comments Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: The proposals are bound to cause an increase in traffic of all types and the local roads do not have capacity for this, being narrow rural lanes; there are no main road alternatives. Henley Street and Gold Street, Cobhambury Road and the road to Cuxton are used by walkers, runners, cyclists and horseriders, and the inevitable extra traffic is likely to increase the risk of accidents involving these road users.

Kind regards
