**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF REFUSAL OF PERMISSION TO DEVELOP LAND
--

To: **Mr N Photay
C/O Mr David Sullivan, Westleigh Design
Lantarna
The Pinnock
Pluckley
TN27 0SP**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **REFUSED TO PERMIT** development of land situate at:

**14 Sun Lane
Gravesend
Kent
DA12 5HG**

and being **proposed first floor chalet style extension with front and rear dormers and increase to roof height.**

Your application dated 2nd May 2023 is refused on the following grounds:-

1. The increase to the roof height, subsequent introduction of a gable end roof and proposed rear dormer would introduce a significant amount of bulk and massing to the dwelling which would overbear the neighbouring bungalow and be a generally unneighbourly form of development. The proposed first floor extension by virtue of its size, design and due to its proximity to the boundary would be an overly dominant addition and cramped form of development harmful to the character of the host dwelling and the street scene. The proposal would therefore be contrary to Policy CS19 (Development and Design Principles) of the Gravesham Local Plan Core Strategy (2014), SPD4 - Householder Extensions/Alterations Design Guide (2021) and the Section 12 National Planning Policy Framework (2021).
2. The proposed extension will result in an unacceptable loss of light and overshadowing to the existing property at No 12 Sun Lane due to the lack of space between the properties and would have an unacceptable and overbearing impact. The proposal would therefore fail to provide a high standard of amenity for existing users, which would conflict with the requirements of the SPG2 Residential Layout Guidelines (2020), Policy CS19 of the Gravesham Local Plan Core Strategy (2014) and paragraph 130f of the National Planning Policy Framework (2021).

2 STATEMENT OF POSITIVE AND PROACTIVE APPROACH TO DECISION-MAKING

In accordance with Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended), and paragraph 38 of the National Planning Policy Framework (NPPF) 2021, the Local Planning Authority has approached the assessment and determination of this application in a positive and creative way and, where appropriate, has worked pro-actively with the applicant to secure a development that is sustainable and that improves the economic, social and environmental conditions of the area, and that is in accordance with the Development Plan for the area.

In this instance the proposal was contrary to Local and National Planning Policy and has failed to address the grounds of refusal from the previous refusal. As such the proposal could not be supported.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**
<https://www.gov.uk/appeal-householder-planning-decision>

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
