

FRONT ELEVATION

A photograph of a retail unit exterior. On the left is 'The Hive' with large glass windows displaying white line-art graphics: a person with a shopping bag, a tree, and a circular arrangement of small items. Above the windows is a green sign with 'The Hive' in white. To the right is a 'Costcutter' store with a white 'cash' machine in the window. The entrance has a glass door with a sign that says 'WHAT'S IN YOUR Trolley?' and lists prices. A red sign in the window says 'I LOVE MEALS'. The storefront is set into a grey concrete building.

The top row of the slide contains three images illustrating food and beverage consumption. From left to right: a whole pepperoni pizza on a wooden surface next to a small bowl of salad; a plate of fish and chips with a fork; and a bucket of beer with several bottles chilling in ice.
