Reasons for comment:	
Comments:	Absolutely against this. Park Avenue struggles for places to park due to the amount of housing on Joy Road and Park Avenue that hold at least two cars per household. The plans you have set show there is not enough parking for residence of the new housing project, so they will overfill into the nearest road- which will be Park Avenue. Stop building on every piece of greenery and turn this into a park for the residence to enjoy.

Kind regards
