Reasons for comment:

Comments:	Is there no end to the continual enlargement of this commercial business? Within a green belt residential area, no consideration for residents living nearby. Originally I was told, as a next door neighbour, that there would be very little or no extensions to this property!!!! The way it's going, I don't think they will be satisfied until the commercial business consumes the whole area!! Originally I Was told it was to be classed as a village vet for local people!!!!
