Reasons for comment:

Comments:	I oppose having a fast food restaurant on my doorstep especially a McDonald's drive through. It has taken us years to get resident only parking and the traffic is already horrific with all lorries from A2 using Wrotham road. With the volume of people using a McDonald's it's going to be daily deliveries and cars all times of the night. Rubbish strewn everywhere and hundreds of people a day using it. The restaurant was only booked to capacity and staggered. Even though they sold alcohol there was never a problem. McDonald's in town has security guards to stop fights and stabbings and have no doubt this will create the same type of clientele. We already have x2 McDonald's in town and have no need for a third. The local park will be strewn with rubbish and you have a local school within yards. With childhood obesity in Gravesend at one of the highest within the country why on earth would you put another fast food restaurant so close to a park used by families and a school. It will be noisy and smelly from the cooking omissions and there will be increased disturbance due to increased footfall. Woodlands park was gifted to the people of Gravesend and is a beautiful park. Not so sure it will look so beautiful with McDonalds wrappers food strewn all over it. I don't believe for a minute that McDonald's will litter pick the park. This is pure greed on behalf of the sellers they have not considered the residents at all.
