Reasons for comment:

Comments:

I strongly object for the following reasons
Huge environmental impact on wildlife and our native species habitat loss
Impact on the vast amount of extra vehicles causing air pollution
Traffic build up on surrounding roads is already horrendous due to local schools and businesses on lanes and Wrotham Road
Local infrastructure no extra capacity at the local Gp practices they have already stated no more patients
Senior school places and local primary schools over subscribed
no matter if a new school is built there are other potential new builds with a 2 mile radius all
will cause the same issues
Impact on NHS hospitals
Drainage!!! Flooding

Kind regards
