Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed development will put massive pressure on local services. Schools, Medical (Doctors surgeries), Police. Also the A227 and surrounding roads are not adequate for the extra volume of traffic. Water infrastructure is not adequate in the area to cope with extra usage. Flooding problems with the removal of open fields that capture excessive water.

Kind regards
