Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this proposal, being a resident of Meopham we already have issues trying to get a doctors appointment. The A227 is struggling to cope with the current traffic, how will it manage if this project goes ahead. We are losing so much wild life locally, our grandchildren will never enjoy the open green spaces once these homes are built.

Kind regards
