Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I am extremely concerned about the traffic and parking implications- out roads are already over used which will only get worse with the new tunnel planned It appears that only one parking place per house will be available we have ahead this on the site of old police houses we now have pavement parking and chewing up of verges as cars are parking on them Local doctors will be overwhelmed as will be shops - already a parking nightmare This is green belt land once gone it's gone - the area is beautiful and this will not improve the area also Meopham and sole street will become one . Town no longer village Impact on wildlife and ecosystem will also be negative despite the green areas that will be left
