Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the proposed development of a McDonald's restaurant on the outskirts of our town, next to a well-used family park. This location is valued for its peaceful, safe, and community-focused environment, particularly for children and families. Introducing a high-traffic fast-food outlet in such close proximity risks increasing congestion, noise, and litter, which would undermine the character, safety and enjoyment of the park. The presence of a major fast-food chain in this setting sends the wrong message about promoting healthy lifestyles in an area, specifically used for recreation and wellbeing. Gravesham should reject this application and protect the integrity, safety, and family-friendly nature of this important town location.

Kind regards
