

Dear Sir / Madam,

My name is [REDACTED] I am writing in regard to the proposed extension at 41 Windsor Rd (case no : 20250131). We get on well with our neighbours and have no objections to their plans but I wanted to ask them if they would be willing not to work weekends, [REDACTED]

[REDACTED]
[REDACTED] we would like to respectfully request that there is no building work at the weekends and that work starts no earlier than 8 a.m and finishes before 6 p.m during the week. I'd be grateful on your advice on whether you think this is a reasonable request or whether it is enforceable via the planning department.
