Reasons for comment:	
Comments:	I strongly object to this proposal, I purchased my home 2 years ago because of the beautiful peaceful location, there is only one road in and out and the extra traffic would cause a great deal of stress let alone the noise and pollution.its bad enough on a bin days to get to the station on time, This would also have an effect of the wildlife, the loss of privacy will impact the neighbouring properties. The effect it would have on the environment with the fumes from the extra traffic. Parking issues. If you allow this who's to say they won't come back in a year or two wanting to build more, please don't ruin our beautiful countryside

Kind regards
