Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object on the grounds that, as usual, the contractors are trying to get permission via the back door for plans that were, quite correctly, refused previously. The development is already overly intrusive and out of character with the area. Please ensure that it is not made worse by allowing this amendment. The work has, so far, been very noisy and they have been making a muddy mess on the Lane, I thought that they would be obliged to clear up properly.

Kind regards
