Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	i object to the planning application , I am concerned that the green belt land is being used for new houses , this should remain as farm land . The works are next to the Helen Allinson school and the impact of the works will be detrimental to the well being of the pupils at the school. Meopham already has too much traffic and this proposed development along with the increased traffic due to the option C Thames Crossing will bring the traffic to unacceptable levels . Meopham is already being used as cut through road and this development will make the situation a lot worse

Kind regards
