Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application ,I am concerned that the green belt land used for farming will be used for new houses . We need to keep the fields as they are and they should not be built on . Meopham has very high volumes of traffic and is used as a cut through when the surrounding roads are blocked .This situation will only get worse when the option C Thames Crossing works are starting shortly. The proposed development will make raise the traffic levels to an unacceptable level in this rural environment .The area around Camer shops if already very busy and the extra traffic will be dangerous and detrimental to the area and the environment. We do not have the local infrastructure to support the houses proposed.

Kind regards
