Reasons for comment:	
Comments:	<p>Another ridiculous application for an estate in an over populated village. This estate will have a detrimental effect of traffic in an already busy part of the village. Opposite two schools? A busy parade of shops and in a busy A road which is a cut through to two of the uks busiest commuter routes.</p> <p>As well as this more people leaving on already breaking facilities, over populated schools where local village children can not get into? A massive strain on the NHS.</p> <p>This will have an impact on the wildlife and you are building on our beautiful green belt land. This estate will.seattoy our village.</p>

Kind regards
