Reasons for comment:	
Comments:	<p>This is productive agricultural land and should remain so. Longfield Road adjacent to the school is not suitable as access for hundreds of cars daily to a new development, especially at school drop off and pick up times.</p> <p>This is one of three current applications in very close proximity. Any one alone will significantly the local environment for the worse. Residents old and new will struggle with the increased traffic. Productive farmland in the green belt will be lost.</p>

Kind regards
