Reasons for comment:

Comments:	I strongly object to these house being built. Loss of greenery Loss of farming land Loss of nature Over crowding Over developed Wildlife need to eat to survive We don't have the school space- kids in istead already not getting a space at the school! We don't have space at the doctors The local hospitals are completely over run The roads round Istead can't with hold the extra traffic. No reliable bus service or any other transport links! We are a small village we like the small village and scenery that's why we choose to live here! We don't want to end up a huge over run over developed concrete
