Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I (along with all of my neighbours) stongly object to this application, especially the shared day room. I believe it will have a substantial negative impact on the local area, businesses and house prices. I would also add that based on the fact that electricity has already been connected and the static homes are now arriving (today 17.12.24), it appears that the decision has already been made. We moved to this address 3 months ago and our searches took place a few days before this application. Had this appeared we would never have moved to the area.

Kind regards
