Reasons for comment:	
Comments:	Another 100 houses proposed, without any thought/care for the parishes infrastructure. The doctors/schools are full...how will the local services cope with 100 more households? The entrance/exit for this proposed housing development is onto the very busy A227. The A227 is a main route between Gravesend and the M20 and already has HGV's travelling along it, plus the usual cars/vans. When there are problems elsewhere in the county...A2, M20 and M25, this route is used. Now imagine another 100 households, with on average 2 cars each...all trying to get out of the 'estate' onto the A227!! I strongly object to this development, it's too much for the area to cope with.

Kind regards
