Reasons for comment:

Comments:	<p>We live opposite 14d and are seriously concerned about this planning application. We do not endorse this application and have numerous concerns about the adverse impact that this will have us on personally as well as the residents. We have concerns regarding safety given that we have young children that will be living opposite lots of unknown individuals that will be coming and going. We already have safety issues on Lennox Road with multiple breaks ins/ burglary reported as well as the constant coming and goings as a result of the WGYB property at the end of Lennox Road.</p> <p>This is a residential street and not the appropriate place for a children home. Careful consideration should be given to the correct location for such an establishment - Lennox Road is not the correct location.</p> <p>I cannot stress the level of concern that I have as a home owner and as a parent of this application and I strongly oppose this application.</p>
