Reasons for comment:	
Comments:	I strongly support this planning application. This is integral for our local community and I look forward to using the facilities. Al Haqq Academy are committing to providing services for all, people of all faiths, ages, and backgrounds. There won't be an issue with parking since there are so many car parks within walking distance. Charitable projects should always be supported as these will boost our local community, giving people a stronger support system, and making gravesend a better place to live.

Kind regards
