Reasons for comment:

Comments:	I am not in agreement with the proposal. There are not enough parking spaces allocated for the GP surgery and dwellings proposed therefore there will definitely be parking on Milton Avenue and Park Avenue from residents. We are already struggling to have our own cars parked as most houses have at least one or two cars. Please ensure similar parking is identified for this planning application by reducing the number of dwellings and providing at least 1.5 parking spaces per dwelling or do not agree to it.
