Ref: Planning application 20250259 re. 1 Strand Close, Meopham

Dear Ms Harrison,

Further to your letter of 25th March concerning the revised plans to extend 1 Strand Close, I again wish to object **strongly** to this planning application, on the grounds that the rear extension will still have an overbearing effect and will considerably reduce the light to  kitchen, which is my main point of concern. It will also still block what little view of Huntingfield Road that I have. The Inspector who made a site visit on 30th January concluded that *'the proposed development would not harm the living conditions of the occupant of No. 45.'*  The photos below, taken from the kitchen at No. 45, clearly show that the rear extension would block out a great deal of light and massively obstruct the view. This problem would be much greater in the winter months when the sun is lower in the sky. The provision of fixed, obscure glazed windows makes no difference whatsoever.

Yours sincerely,
