Reasons for comment:	
Comments:	The development does not provide 2m x 2m pedestrian sight lines in accordance with KCC 's and Gravesham's recommended standards. The parking spaces next to each other prohibit them from being provided. Gravesham's and KCC's visibility requirements May 2023 dropped kerb application guidance is the evidence base. Gravesham Planning also issue these documents on new accesses where applications for a crossover is refused on appeal. Gravesham have done this at 5 Forge Lane in Higham. The proposal should therefore be amended to accord with Gravesham's SPG. Or it should be refused.

Kind regards
